

Rio de Janeiro, June 16, 1994.

To whom it may concern.

Baccar & Falcão Consultores Associados is an associated firm with Expetro International Oil & Gas Projects Co. Ltd. having jointly evaluated petroleum projects in Latin America for the presentation of opportunities to Brazilian investors and construction companies.

We can attest that Expetro executives and consultants are recognized as competent professionals in this field and that there is significant interest in the contacts and agreements to be established by his firm.

Baccar & Falcão Consultores Associados Ltda.

Muhamad A. Baccar
